Cardinal Hill® of Northern Kentucky
Speech & Hearing Center

January 22, 2008

Cardinal Hill of Northern Kentucky is pleased to announce the dates of our 21st Annual Summer Speech Program for 2008. The program will run from the week of June 16 through the week of July 25, 2008. Sessions will last 30 minutes each and will be scheduled two times per week in the afternoon. All services will be provided under the direction of an ASHA certified speech/language pathologist and graduate student interns.

Scholarships will be provided on a first come, first serve basis; therefore, we suggest that families contact us early to reserve a space. Depending on demand, if scholarship funding is depleted, we can still attempt to get insurance authorization for participants with Medicaid and other private insurance coverage.

As in years past, we are especially interested in providing services for children who receive therapy in the school setting who could benefit from continued services during the summer break. The most recent school IEP or therapy treatment plan should be submitted along with an application. Applications will be available in mid-April.

The cost of the program, which will consist of 12 sessions, is a flat rate of $630. There will be no refunds for missed or cancelled appointments. We will work around the Independence Day holiday so that no sessions are missed.

If you would like to enroll a child in the program, please contact us at 859-525-1128. We will complete an intake, provide you with an application and give you instructions regarding submission of IEP/Treatment plan goals.

If you have any questions, please do not hesitate to contact Dr. Chip Hahn, Director of Clinical Services.

Sincerely,

Cardinal Hill of Northern Kentucky
