University of Kentucky
Department of Physical Medicine and Rehabilitation
Research Day - May 22, 2012
Keynote Lecture: 1:00 PM
Cardinal Hill Center of Learning: Room 3

John Whyte, MD, PhD
Director of Moss Rehabilitation Research Institute
Professor of Rehabilitation Medicine at Thomas Jefferson University

Pharmacologic Treatment of Neuro-Cognitive Impairments: Gathering the Evidence to Support Practice

Accreditation Statement
The University of Kentucky College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
The University of Kentucky College of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
The University of Kentucky College of Medicine presents this activity for educational purposes only. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentations is provided solely by presenters who have been selected for presentations because of recognized expertise in their field.

Objectives
1. Identify mechanisms of action of Amantadine for cognitive recovery from TBI
2. Classify different functional levels of TBI
3. Predict translational potential of research findings
4. Critique existing approaches to TBI diagnosis and management
5. Formulate evidence-based treatment plans

Target Audience
Physicians, Clinical Researchers, Nurses, Occupational Therapists, Speech-Language Pathologists and Residents in Physical Medicine & Rehabilitation.

Disclosure Statement
All planners, speakers, authors, reviewers and staff members involved with content development for continuing education activities sponsored by the University of Kentucky College of Medicine are expected to disclose any real or perceived conflict of interest related to the content of the activity. Detailed disclosures will be included in participant materials or given prior to the start of the activity.

Special Services & Registration
If you require special assistance to attend this event or would like to register, please call Teresa Griffee at (859) 323-3013 or email Teresa at teresa.griffee@uky.edu.
