CARDINAL HILL REHABILITATION HOSPITAL RECEIVES $20,000 FROM "CHIPPING IN FOR JOHNNY" GOLF TOURNAMENT

LEXINGTON, KY— A check presentation was held at Cardinal Hill Rehabilitation Hospital Monday, November 11, 2013, to celebrate the second annual "Chipping in for Johnny" Golf Tournament.
Morris, the 24-year-old son of long time horse racing industry executive Joe Morris, was paralyzed after an accident in July 2012 and has spent much of the past year undergoing physical rehabilitation at Cardinal Hill.

"Chipping in for Johnny," held October 14, at Canewood Golf Course in Georgetown, Ky., drew more than 100 participants and nearly 50 sponsors. The tournament raised more than $40,000 to help defray a portion of the rehabilitation expenses of Johnny Morris and raise funds for Cardinal Hill Rehabilitation Hospital.

"We were so fortunate to have been a part of the "Chipping in for Johnny" Golf Tournament. The Morris family are wonderful advocates for people with physical rehabilitation needs and their support will go a long way in helping others," said Gary Payne, President/CEO of Cardinal Hill Hospital.

Proceeds from the tournament will benefit the "John Joseph Morris Trust." The Morris Family also designated Cardinal Hill Rehabilitation Hospital as a major recipient of the tournament's fund-raising efforts. A check in the amount of $20,000 will go to Cardinal Hill Hospital to fund a new FES Bike – a piece of equipment that has been valuable to John's rehabilitation. To learn more about both charities, please visit www.johnmorrisgolfclassic.com and www.cardinalhill.org.

Cardinal Hill Rehabilitation Hospital located in Lexington, Ky., is the state's largest provider of physical rehabilitation services.
